Preschool, Pre-K & K Nap Mat Information

Dear Preschool, Pre-K and Kindergarten Parents,

In purchasing a nap mat, please be mindful of the following policy:

- ***All nap-mats should not exceed 46 x 21 in dimensions.***
- We have found that the nap mat style with the built-in pillow and the blanket attached to one side works best.
- The nap mat should be easy to fold to be placed in each child's cubby and also neatly fit in each child's backpack.

Remember to label your child's nap mat with their name.

If you have any questions or concerns, please feel free to contact me. I hope your family is enjoying the summer, and I look forward to seeing you in August.

Sincerely in Christ,
